To: ALL NJAIRE MEMBER COMPANIES

Beginning with the 4th quarter 2011 call for statistics, NJAIRE will begin offering all members the option to receive the quarterly Compiled Figures Report (CFR) electronically via email rather than in hard copy.

For members interested in taking advantage of this offering, I've attached a CFR Electronic Request form for completion. There is no limit to the number of email contacts whom you wish to receive the CFR. You may also opt to use an internal distribution list rather than individual email addresses to help ensure all current personnel responsible for NJAIRE operations are included.

Please note that if you opt to receive the CFR in electronic form, you will no longer receive a hard copy via standard mail. If you wish to continue receiving a hard copy of the CFR, no action is required of you.

We are hopeful this option will assist members in simplifying the internal coordination processes between various departments.

Sincerely,

Michael McAuley
