To: All NJAIRE Member Companies

This is to inform you of a revision to the NJAIRE Procedure Manual that was approved by the NJAIRE Board of Directors, effective November 4, 2010.

Prior to the revision, the final bullets in '**Do Not Report**' for Section I, Chapter 3.3.B(10) and (11) stated:

- Claimants on private passenger automobiles insured on a commercial automobile policy should not be reported **unless**
 - the insured is the named insured on the commercial policy
- OR
- the insured used the coverage provided on their own personal auto policy.

Effective November 4, 2010, the bullets have been amended to state the following:

- Claimants on private passenger automobiles insured on a commercial automobile policy should not be reported **unless**
 - the Claimant is the named insured on the commercial policy
- OR
- the Claimant used the PIP coverage provided on their own personal auto policy.

Attached to this email is a copy of the amended NJAIRE Procedure Manual for your records. Please note that the revised documents are also available on the NJAIRE web site, www.njaire.org.
